INSTALLATION / USER MANUAL
## Radix Viso MDM
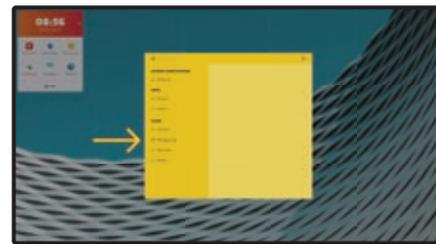

HEY YOU, LET ME HELP!
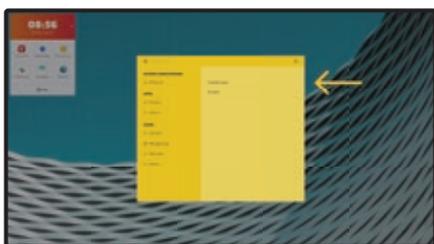

Share, inspire, have fun!
With CTOUCH by your side.

CTOUCH®

CTOUCH®

Open the Float Bar
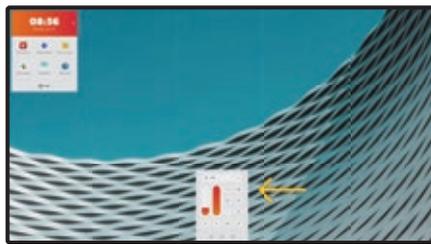

Go to the Settings Menu

**Go to** Manage apps

Go to Installed apps

Note: When opening this window for the first time, the overview might be empty. Go back by clicking on Manage apps and click on Installed Apps again.

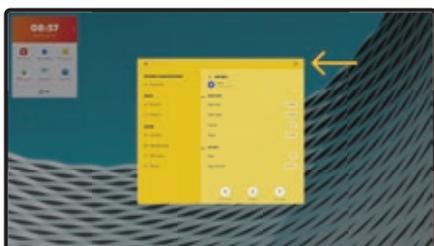

Select Viso

**Select** Clear data

Select Clear all data

Press on Clear

Press on OK

Close the Settings Menu

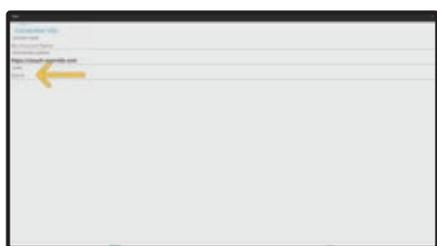

Open Apps

Open Viso
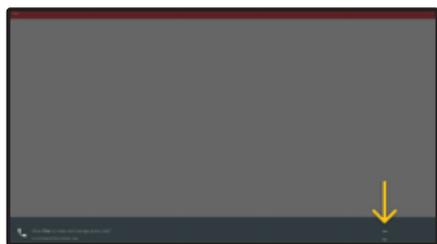

CTOUCH®

Press on Allow
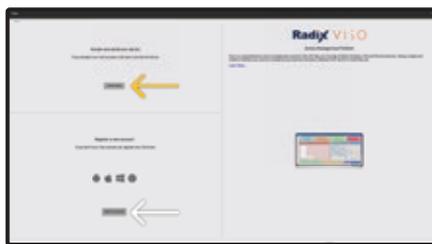

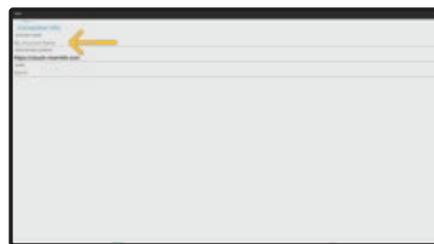

Press on 'Start here'.
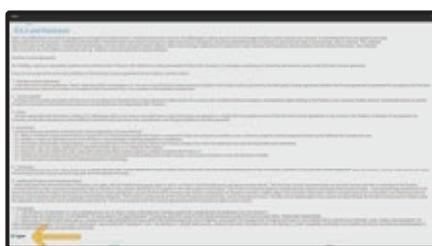

Note: If you do not have an account yet, press on 'create account' or go to **ctouch.visomdm.com** in your browser. After creating your account, continue from here.
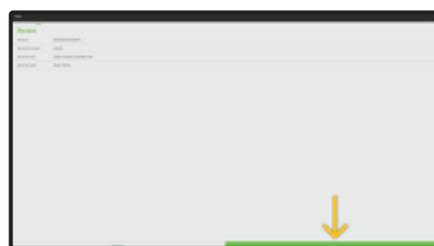

Fill in the account name

**Fill in** the name of the display

Note: Naming the display will help you recognize the screens later on in the dashboard.

Tick the tick box
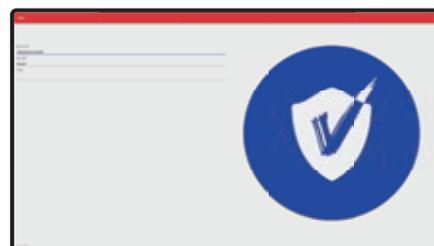

Press on Next

Press on Finish

Wait until the registration is finalised.

Note: A pop-up may appear. If so, click on 'Reset the Token' and fill in the required credentials to continue.

When you see this page, the registration has been finished successfully.

To log into your dashboard, you need to go to **ctouch.visomdm.com**
This can be done on any device with a browser and an internet connection.
