

Warranty CTOUCH Europe B.V.

OPS Module

Warranty details

Three year warranty based on return to base

Zero concessions on Service

Let us explain to you all the benefits of the OPS Module warranty.

What are the warranty terms:

The warranty is valid from the invoice date from a reseller to a user in combination with the production date of the display.

The warranty of CTOUCH covers defects caused by manufacturing for the first three years.

Please note the following: If requested, provide us the original invoice (invoice, docket or receipt) with the purchase date, the name of the reseller and the model (type) and production (serial) number of the OPS Module.

What can our Service Mechanics do for you?

CTOUCH Europe presents itself liable for repair. If repair is not possible, replacement of the product is under warranty. This is at the discretion of CTOUCH Europe only.

Professional and prompt service to its customers is our middle name. All repairs will be carried out based on return to base. All you have to do is reporting it to us via below contact details.

It might occur a repair cannot be carried out due to the technical nature of the defect. No worries! A comparable replacement OPS Module will be made available. After all, zero concessions on service means a plus one smile on our customer's faces 😊

The warranty is **not** valid in the following cases:

- If the defect (in any way) is caused by misuse, use in an environment that is not in accordance with what is prescribed for the product, neglect, forgery, improper adjustment or modifications to the product;
- If on one of the mentioned documents something has been altered, deleted, removed or made illegible;
- If the defect is caused by external causes such as natural disasters, molest, fire and soot damage, dust, induction and lightning damage or animals;
- If modifications and / or repairs to the product have been carried out by persons / companies unauthorised by CTOUCH Europe;
- If the maintenance instructions indicated in the user manual have not been followed;
- In case of repairs caused by incorrect and/or improper installation in the operating environment;
- In case the product is used in a dusty environment;
- In the event that the serial number of the product is damaged or removed;
- In case of malfunction and/or damage caused by additional equipment that is used with the product or in connection therewith, and that is supplied or recommended by CTOUCH Europe;
- To consumable parts, such as batteries or protective coatings that are designed to diminish over time, unless failure has occurred due to a defect in materials or workmanship;
- To cosmetic damage, including but not limited to scratches, dents and broken plastic on ports unless failure has occurred due to a defect in materials or workmanship;
- To damage caused by use with a third party component or product that does not meet the CTOUCH Products specifications;
- Whenever CTOUCH receives information from relevant public authorities that the product has been stolen.

In all cases covered by the above, CTOUCH Europe will treat each case individually and decide accordingly.
